

SORAUREN PARK

FIELDHOUSE DONATION FORM

YES, I want to “buy a brick” and support the building retrofit of 50 Wabash this winter so we can open public washrooms for Sorauren Park users next spring!

- \$100 individual/family/child
- \$250 small business
- \$1,000 corporation

Our goal is to raise \$20,000 from the community - 5% of the \$400,000 building retrofit cost. Of course, whatever you give will be deeply appreciated.

- I've enclosed my cheque payable to: Wabash Building Society.

The Wabash Building Society is now officially a non-profit corporation leading the community charge to Build Wabash Now! Your charitable tax receipt will be issued by the City of Toronto.

- I want to receive a charitable tax receipt.
